

# RULES AND HOW TO PLAY

You have been summoned into a world, where you start off with a mere pistol. Through progression of different rooms in the world, you are able to defeat enemies and earn gold. Then, trading with merchants allow you to buy better weapons and battle your way out!

Controls are as follows:

Button	Output
W	Character moves forward
A	Character moves left
S	Character moves back
D	Characters moves right
LMB	Interact with UI and perform attack
Z	Interact with Shop
X	Interact with Loot Chest

N.B: All controls can be changed through settings. Shown are only the default controls.
